

You are going to listen to an ice hockey coach talking about his work at an Austrian ice hockey academy. First you will have 45 seconds to study the task below, then you will hear the recording twice. While listening, match the questions (1-7) with the answers (A-J). There are two answers that you should not use. Write your answers in the boxes provided on the answer sheet. The first one (0) has been done for you.

After the second listening, you will have 45 seconds to check your answers.

## The Okanagan Ice Hockey Academy of St. Pölten

0	What can be noticed in new players at the Academy?
1	What do new players learn?
2	What does the Academy observe in players after their initial training?
