

You have just come across the following blog written by a student from the UK.

May 2nd

It happened again. The London Jazz Festival was ruined by heavy rains. England is really the worst place as far as the weather is concerned....

As bad weather sometimes affects young Austrians' activities as well, you have decided to comment on this blog entry. In your **comment** you should:

- describe an event that was ruined by bad weather
- comment on the impact of bad weather on young people's feelings
- recommend ways of dealing with bad weather

Write around 200 words.
