Bring your pet to work?

by Simon Posted on April 28

Research has shown that taking your pet to work can have many positive effects and so more and more companies are allowing pets in the office. More than 2 million dogs in the States now go to work with their owners. What do you think about pets at work?

You have decided to comment on this blog post. In your comment you should:

- exemplify positive effects of pets in the workplace
- give reasons why some people might be against pets at work
- suggest guidelines for keeping pets in the workplace
