

You see the following advertisement on the website of an international bookstore:

English essay competition

Do books as we know them have a future?
What is your opinion?

The best essay will be published on our website and the author will win the latest bestseller and €500.

You have decided to take part in the competition. In your **essay**, argue for or against the future of books as they exist now.

You should:

- outline the reasons why you prefer reading from a book or a computer screen
- consider the influence of e-books on people's reading habits
- discuss the possible effects of e-books on teaching and learning

Give your essay a **title**. Write around **400 words**.

Notes (these will not be marked)
