

Your school receives sponsoring from a major international company. At the end of each school year, the school has to submit reports on how the €10,000 has been spent. This year you have offered to write the student part of the report to the company. These are the figures:

In your **report** you should:

- present the data
- analyse the benefits for the school
- suggest uses for next year's sponsorship money

Divide your report into **sections** and give them **headings**. Write around **250 words**.
